ST NORBERT'S IS A RIGHTS RESPECTING SCHOOL

20th January 2021

Dear Parents/Carers,

I hope that you are keeping well.

Our Leading Lights Liturgy Group

Our Chair of this children's group, Lola, has invited all the members of the Leading Lights to a private meeting on Friday from 1.15pm as they haven't met yet this term and there are decisions to be made. If your child is not in the Leading Lights group but would like to join, please let me know and they will be added to the meeting.

Remote Learning

Thank you for enabling your child to access the daily Class meetings. Remote Learning appears to be going very well; pupils are engaging in the work and making progress. Please remember that you can arrange a 1-1 Teams' meeting with any member of staff, or a telephone call if you wish, at your convenience. Please feel free to contact me ptonge@stnorbertscrowle.co.uk for any support in home-learning. It is important that every child completes the work as, when we return to school, we don't want anyone in the class to feel that they have been 'left behind.'

Each child is building up a Portfolio in DB Primary and this enables us to monitor their engagement and assess the quality of work completed.

Healthcare Plan

Healthcare plans are currently being reviewed and you will be contacted in the next week or so, if your child currently has one. If you believe that your child requires a healthcare plan, as they have ongoing medical needs, please inform me as soon as possible. This does not apply to a child with an Education, Health and Care Plan. If you are unsure, please contact me and we can discuss your child's needs.

Asthma

If your child has an Asthma inhaler, you should request that their condition is reviewed annually. Following this, please send in the information so that we can update our records and replace inhalers as required. Please check the inhaler date of expiry too.

Thank you.

Your sincerely,
