An Online Safety Talk for Parents/Carers will take place at the school on:

**DATE:** 18/11/21 **TIME:** 2-20pm

The session will last between 35-40 minutes and cover:

**Screen-time** - the balance between using technology and engaging in other activities

**Risk** - look at the risks of children being online and how to minimise them.

**Settings** - how to get support with device settings

**Age Appropriate** - looking at age restrictions for Apps, games etc.

The session will be delivered by Tim Pinto from the E-Safety Office who has worked in the area for over 10 years and has held many prominent positions in the area of online safety.
