Scarlet Fever

Following on from the two reported cases of Scarlet Fever in school last term, please see further information attached from Public Health England.

Parking Outside School

Please take care outside school if you either park on the gravelled area opposite, or if you or your children walk across the gravel. This is not our land, nor an official parking area. This area is busy at 8.20am and 3pm in the afternoon. If you are able to park away from school in the local car parks or walk with your children from home, that would help to relieve the congestion. Thank you.

Urgent**Telephone Numbers and Contact Details**

Would you please ensure that the school office have up-to-date emergency contact numbers for your child. This must include a telephone contact for at least one additional family member or friend whom we can contact if both parents are unavailable.

If we are unable to contact you in case of an emergency, or in cases of illness, this would be considered a safeguarding issue. This may result in your child being taken to hospital by school staff for treatment, if required. If you work in more than one location, it is important to share the contact details for each location. Thank you.

Yours sincerely,

P M A Tonge
