Please do not email but complete the booking form sent out with my letter from Tuesday this week.

Tickets for these performances will again be limited to 5 in total across both performances – not 5 tickets per performance. Full details are contained within my separate letter.

Wherever possible, we will endeavour to accommodate your preferred timeslots but must consider requests according to the order in which these were received. If you have not chosen a suitable time, a time will be allocated for you. Thank you.

Friends of St Norbert's Sparkly Disco

The Sparkly Disco – organised by the Friends of St Norbert's – will take place on Friday 6th December. This is a family event and all children should be accompanied by an adult. This year, Mrs Coggrave will be selling tickets from the school reception. Please see the attached poster with full details and when tickets will be available

to purchase. Tickets will be sold on a 'first-come, first-served' basis and will be limited by the headcount allowed in the school hall. Please also see the second poster provided by our PTA for more information.

Lost Property

Could you please check your child's belongings to see if they have accidentally taken home a pair of trousers which belong to Alfie Neal. If so, please do return these to school as soon as possible. Thank you.

John Leggott College Christmas Fair

Please see the attached poster from John Leggott College regarding their Christmas Fair. Thank you.

St Norbert's Church – Autumn Fayre

St Norbert's Church have asked me to pass on their grateful thanks to all who supported their Autumn Fayre last Saturday. They raised an amazing £837 for Church funds. It was lovely to see so many people there, which made the event a great success.

Temporary fencing – field and playground

You will notice the somewhat unwelcome return of temporary fencing to our field and playground today. This work is necessary to complete a project – started during the summer holidays – to improve our school heating system. The project has been funded by a government grant and has included the installation of solar panels on the school roof. We are now entering the final stages of the project and the heating system has – thankfully – been operational for some time.

You will still be able to access the school playground to wait at the end of the day. However, please accept my apologies for any inconvenience over the next couple of weeks; this short-term disruption will hopefully ensure long-term benefit for our school. Thank you for your understanding.

Yours sincerely,

A Dawson
