Could our 'extended school' help you?

Dear Families,

Wraparound Care

The Government is currently investing in expanding wraparound childcare options for primary-aged school children; this effort is designed to enable schools to consider establishing childcare provision before and after school hours.

At Saint Norbert's, we have been offering our 'Breakfast Club' and 'Goldstar After-School Club' for many years. I would therefore like to take the opportunity to remind you of our wraparound care offerings, both of which are designed to support wellbeing and development whilst also enabling you to access good value childcare provision.

Breakfast Club

Our Breakfast Club is a great way to start the school day. We provide breakfast to ensure that your child is energised and ready to engage in learning. We offer a range of wholesome options, from wholegrain cereals to fruit, yogurt, and toast, all prepared with care by our dedicated staff.

The club is open from 7:45am and is available for all children, from Nursery to Year 6. It creates a calm, positive atmosphere before the school day begins, fostering a sense of community and wellbeing. You might decide – at some stage – to take advantage of this club, not only for its convenience but also for the friendships and routines that it helps to build.

The cost per Breakfast Club session is £2.10, which includes food and drink.

Goldstar After-School Club

Our 'Goldstar' after-school club is designed to be a safe and supportive space where children can unwind, engage in creative activities and enjoy time with their peers. We take great pride in creating an environment that is inclusive, welcoming and well-matched to the needs of each child. School staff are committed to providing a wide variety of activities, from arts and crafts to games and team-building exercises – all of which promote both fun and personal growth.

Goldstar operates from 3pm until 6pm and is available for all children, from Nursery through to Year 6. Our focus is on ensuring that every child feels valued, respected, and included. Indeed, we are proud of the way this club nurtures positive social interactions, builds confidence and supports the overall development of each child in our care.

A healthy snack is provided during Goldstar sessions at around 4:30pm, which allows children time to transition from any other after-school activities which finish at or just after 4pm. Our aim is for the snack we provide to be substantial enough for children not to feel hungry if there is no other evening meal planned at home.

Goldstar costs are competitive at £10.20 per session, which includes three hours of childcare as well as the food provided. The cost for additional children is £8.20 per session.

Booking a Place

If you are interested in reserving a place in Breakfast Club or Goldstar, the process is simple and completed using Parentpay. Our office staff will be able to help you with this if you have not made a booking before. You do not have to commit to long-term bookings either; one-off bookings with just a few days' notice – when required – are fine!

Both clubs are a great option if you are considering ways to extend your child's school day in a meaningful and enjoyable way. We do understand how busy family life can be and we therefore remain committed to offering flexible and affordable wraparound care options which support your child's needs whilst also providing peace of mind.

If you would like more information, or wish to reserve a place in either club, please contact the school office. We are always happy to answer any questions you may have.

Thank you for your continued support.

Yours sincerely,

A Dawson
