Mission Statement: To live, love and learn in the footprints of Jesus.

---

9<sup>th</sup> June 2025

Dear Families,

We would like to invite you to participate – if you are able – in 'Walk to School Wednesdays', an initiative designed by children in Class 5 to encourage pupils to walk/cycle/scoot to school once a week. The children hope that this will be a wonderful opportunity to promote healthy habits, reduce traffic congestion and create a more sustainable environment.

Walking to school has many benefits. It helps us to stay active, improves focus and readiness for learning, and allows us to socialise with friends before the school day begins. Additionally, fewer cars on the roads sometimes must surely result in a safer, cleaner community for everyone.

We kindly ask for your support in making 'Walk to School Wednesdays' a success. If possible, please do consider walking (or indeed cycling or scooting) with your children. You might try arranging for them to walk with friends sometimes. If you live further away, you might find a nearby drop-off point where they can walk the rest of the way into school.

Thank you so much in anticipation of your support with this initiative. Together, we hope to make a positive difference for our children and community. If you have any questions or suggestions, please do contact the school office.

Yours sincerely,  
*Class 5*
