## Saint Norbert's Centenary: Celebration Ball

Dear Families,

As you will already be aware, this year marks a truly special milestone in the life of our school as we celebrate 100 years of faith, learning and community here. Of course, there has been Catholic education in Crowle for longer than a century; however, this year we celebrate the establishment of our current school. To date, generations of children and families have helped to shape the warm, caring and aspirational community we are so proud of today.

To commemorate this happy occasion, we are delighted to invite you to a Centenary Ball, on Saturday 19<sup>th</sup> September 2026. This event has been planned to honour our history, give thanks for all that has gone before us, and bring together past and present members of our school family for an enjoyable evening.

We are mindful that, as a school, we always strive to keep costs manageable for families and to ensure that school life remains accessible to all. That commitment remains as important to us as ever. This celebration is intended as an optional social event to mark an exceptional anniversary, rather than a change in our usual approach.

We very much hope that many of you will be able to join us for what promises to be a memorable evening of celebration and fellowship. Please find the invitation attached with further details.

Thank you, as always, for your continued support of our school community.

Yours sincerely,

A Dawson
